We have audited the attached Balance sheet of **BIHAR RAJYA BEEJ NIGAM LIMITED** as at **31st March 2001** and also the Profit & Loss Account of the Company for the year ended on that date. These financial statements are the responsibility of the management. Our responsibility is to express our opinion on these financial statements based on audit conducted by us.

We conducted our Audit in accordance with Auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain responsible assurance about whether the financial statements are free of material misstatements. An audit includes examining, on test basis, evidence supporting the amounts and disclosure in the financial statements. And audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statements presentation, we believe that our audit provides reasonable basis for our opinion.

We report that

- 1.1. The Annual Accounts for the year ended 31st March, 2000 has not been adopted by the Corporation in the Annual General Meeting held for that year. However, as per circular No. 36-CAII/o-Ordn/Actionable claim of 2008-09/7/2009 dated 27.01.2009; we are releasing the audit report for the year ended 31st March, 2001 without previous year's account being approved in the Annual General Meeting of the Corporation.
- 1.2. As referred in para 1.1 (a) of Accounting Policy (Schedule-V), the Accounts have been prepared on the Going concern assumption. In view of the huge accumulated losses, the company's ability to continue as a going concern is dependent on availability of substantial finance from Government of Bihar as well as future production performance and profitability etc. Further, the State Bank of India filed a suit against the company for recovery of their Cash Credit Loan Debt Recovery Tribunal on 20.10.2000. The tribunal ordered for Recovery Certificate for Rs. 2,02,50,554.69 with cost and interest against all moveable and immovable property of the company, which has been liquidated in the year 2004-05.
- 1.3. Complete Accounting records of some of the offices/units could not be made available to us as the management could not locate the same and produce before us for our audit and verification. - 8.2 It includes substantial amount receivable from Govt. of Bihar on account of subsidy. In absence of the details of claims submitted in respect to subsidy and any communication regarding approval of the competent authority, we are unable to comment upon the correctness of the amount receivable on this account. In absence of confirmation of balance and / or reconciliation of account at any stage, we are unable to comment upon the recoverability or otherwise of the amount. Amount received from Director of Agriculture, Govt of Bihar has been adjusted against such dues. Communications with such remittance have not been shown to us to verify such adjustments.
- 8.3 It also includes substantial amount receivable from 'BISCOMAUN' who have disputed the dues on various grounds including non-receipt of substantial quantities of seeds shown as supplied by the company. Pending settlement of the matter management, however, has considered the entire debts as good and recoverable which in our opinion does not appear appropriate.
- 8.4 It also includes substantial amounts being net balance of amounts sold by various sales centers and remittance there against pending preparation of party-wise list. As it also includes amount related to cash sales such balances are receivable from respective sales centre and therefore, this should have been shown as cash at sales centers/recoverable from sales in charge. As no sales centre / in charge-wise list at any stage is available, there is possibility that the company may not be in position to recover substantial amount.
- 8.5 Credit Sales are subject to approval of competent authority.

In absence of party-wise details it was not possible to ascertain the amount of total debts and the amount of liabilities as at 31st March 2001, therefore liability and advances both are understated.
- 8.8 In view of the facts mentioned above as neither provision has been made nor there is sufficient records to quantify the provision amount the sundry debtors figures is heavily overstated in terms of realization to the extent not quantifiable.
- 8.9 In absence of party-wise details, we are unable to verify the age-wise classification of debts.

9. Cash and Bank Balance

- 9.1 Most of the Bank accounts , operated at various units of the company, remain unreconciled and some of them were not operated since many years. Even in cases where accounts are reconciled, there are substantial amounts outstanding since long including cases of amounts debited / credited by bank but not recorded in the books of the company , Non-adjustment of which may materially affected the Bank Accounts.
